## Health, Safety & Event Compliance

All food and beverage vendors are required to comply with Orange County Health Care Agency (OCHCA) regulations for Temporary Food Facilities (TFF). Please ensure you obtain the necessary permits and adhere to all guidelines.

Required form and information can be found on the OCHCA website: [WWW.OCFOODINFO.COM/TFF](http://WWW.OCFOODINFO.COM/TFF)

- ☐ I acknowledge that I am responsible for obtaining all necessary TFF permits from OCHCA and will comply with all health and safety regulations.
- ☐ I confirm that all staff handling food will possess a valid California Food Handler Card.
- ☐ I confirm that my business will carry general liability insurance coverage for CHIMAC-FEAT LLC., including its officers, employees, and agents, during the event days (including move-in/move-out).
- ☐ I agree to use only UL-certified power cords and equipment.
- ☐ I confirm a fire extinguisher will be available inside my booth.
- ☐ I acknowledge the mandatory \$150 non-refundable cleaning fee per booth and agree to dispose of trash in designated bins.

Please describe your booth setup to ensure compliance with OCHCA regulations (e.g., plans for 4 enclosed walls, hand-washing station, temperature control):

## Additional Notes

Any other information or special request?

e.g., Specific booth location preference, accessibility needs

# Detailed Terms and Conditions

Please review the comprehensive terms and conditions below. Your agreement to these terms is mandatory for participation.

## Booth Operation Regulations

- The vendor must bring and use UL-certified power cords (multi-taps) and other necessary equipment to connect their devices to the power source provided in the booth.
- Vendors are not allowed to install their own canopies in addition to those provided by the organizer. No temporary installations or booths may be placed in the passageways between booths. Violation may result in penalties or shutdown orders by the fire department.
- If booth relocation or replacement is requested by city hall, fire department, health department, or police during preparation or on the event day, vendors must comply. The organizer assumes no responsibility in such cases.
- If a vendor uses more electricity than the contracted amount, they must pay for the additional electricity. Failure to comply may lead to shutdowns and fines.
- Vendors selling refrigerated or frozen food must apply and pay for additional electricity and obtain health department approval. If payment is not made by the deadline, the vendor is responsible for obtaining permits. The organizer is not liable for permit issues.
- All equipment and electricity requests must be paid by September 10, 2025. Fees may vary. If not paid, the vendor must prepare their own equipment, and the organizer is not responsible for any business interruption.
- Vendors cannot move chairs or tables outside the booth without permission. Additional equipment may be requested from the organizer with a fee. Quantity is limited.
- A mandatory cleaning fee of \$150 will be charged per booth and is non-refundable.
- All trash, boxes, and waste must be disposed of in designated bins, not left in or around booths. Failure to comply will result in fines and booth removal.
- Use of microphones or music for promotion inside the park is prohibited. Violations may result in power being cut by the organizer.
- Smoking is prohibited throughout the venue.
- No staking or digging into the ground is permitted under any circumstances.
- Vendors are required to complete set up and be ready to operate 30 minutes before the scheduled event start time. Vendors are also required to remain open and staffed until the scheduled event end time.

## Alcohol Sales Regulations

- Alcohol may only be sold at licensed only alcohol booths. Other vendors are prohibited from selling or serving alcohol directly to customers. Violations will result in the removal of the booth and a fine.

## Electricity Usage Guide

- Each booth is provided with basic 5AMPs (for charging phones or laptops); food booths and snack stands get 15AMPs. Additional electricity must be requested and paid.
- Equipment that exceeds basic power must be reported and registered. Unauthorized usage will result in power being cut.
- Only approved vendors may supply electricity. Personal generators are prohibited.
- All devices must be UL-certified and use proper cables. Non-UL devices cannot be used.
- Do not tamper with or misuse basic circuits or distribution boxes.
- In case of circuit breaker trips due to negligence, a \$100 cash service fee will apply. After 3 incidents, electricity will be cut for the rest of the event.
- Use only the designated circuit and distribution setup provided per booth.

## Force Majeure

- In cases of natural disasters, war, or other unavoidable situations, the organizer holds no responsibility for cancellations or closures.
- Sales or attendance may vary during the event. The organizer is not liable for differences in results.
- All vendors must comply with safety directions issued by City of Westminster, Westminster PD, Fire Dept, Health Dept, Chimac-Fest LLC, and event security.

## Participant Rules & Contract Violations

- Any breach of rules will result in penalty fees
- Vendors must carry liability insurance for any accidents. The organizer is not liable for any costs, claims, or lawsuits. Contracts without insurance submitted 30 days before the event will be canceled per Article 4 refund policy.

☐ I have read, understood, and agree to all the detailed terms and conditions above.
